Subject: EPA National Technical Workgroup Draft Seismicity Report

Good morning.

I'm contacting you to thank you for your willingness to review and provide comment on EPA's Underground Injection Control National Technical Workgroup report entitled, "Minimizing and Managing Potential Impacts of Induced-Seismicity from Class II Disposal Wells: Practical Approaches.", and let you know the draft report is available for your review. This report is still draft deliberative and EPA does not plan to make the report public until all comments have been reviewed and final edits to the report are complete. Your cooperation in not releasing the report is critical until you receive a final version of the report. Data used for the report was current through January 31, 2012.

Due to the file size of the report and accompanying figures, the report is not attached to this email, but can be saved or downloaded from the FTP website: ftp://scienceftp.epa.gov/ through December 14, 2012.

Use the following information to log into the FTP website:

user: geoproj

password: e2tWimjN

Click: Page drop down, select 'Open FTP site in Windows Explorer'

Please save or download the report to your computer prior to December 14, 2012

We would like to receive your comments by January 31, 2013. Any feedback you can provide is appreciated. Your comments should be sent to Susie McKenzie, the technical lead for the report. Susie's email is mckenzie.susie@epa.gov. Also, please confirm the receipt of this email, and success with the download of the report to Susie. If you have any questions regarding the report, please call me at the number below or call one of the following members of my staff: Susie McKenzie (214-665-7198), Nancy Dorsey (214-665-2294) or Ken Johnson (214-665-8473).

Happy Holidays and thanks again. We look forward to your comments.

Philip Dellinger Chief, Ground Water/UIC Section EPA Region 6, Dallas, Tx 214-665-8324
